WELCOME!

We are pleased to welcome you to Emory Grove United Methodist Church, which we like to call, "The Grove." Our church family enjoys receiving visitors and we hope that you feel right at home. We are a friendly group of people who love praising the Lord. We would be happy to have you join us and to get to know you better. We think you will find our church family to be one that enthusiastically embraces newcomers and warmly welcomes them into the fellowship.

TLC describes our mission from God, and we hope that as you find evidence of that in this brochure, you will also be encouraged to join us in this work. It really is the center of our life together.

Youth, **EXCITING THINGS ARE HAPPENING AT "The GGYM"** *(The Greater Gaithersburg Youth Ministry)*

We are being intentional about growing a youth ministry that helps our youth encounter Jesus on their terms & not ours, & being intentional about reaching the hundreds of youth on the "124" (Route 124) in the name of Jesus, **growing** our young people as leaders & as disciples, & widening the reach of the ministry.

In collaboration with Epworth & Mill Creek Parish UMCs, we have identified the churches' needs for youth ministry & the needs of the youth in the Gaithersburg region. God revealed a different model for youth ministry. We collaborated & prayed & the model for the **Greater Gaithersburg Youth Ministry (The GGYM)** emerged. Under the leadership of Rev. Tammi Brantley as Youth Pastor, (supported equally by three churches), **The GGYM** will minister collaboratively with the youth of our churches, schools & communities. Envisioned to be

- Ⓢ **Missional** in that it will seek to develop young people socially, emotionally, & as leaders in their churches & communities.
- Ⓢ **Evangelistic** in that it will seek to intentionally develop young disciples of Jesus Christ whose lives bear witness to their salvation through word & service.
- Ⓢ **Multicultural** in that it will seek to engage young people of all races, ethnicities, economic backgrounds & sexual orientations, creating an authentic, Christ-centered community.

This model offers us, our sister churches, & our community plenty of opportunities to focus on ethnic, cultural, & economic diversity that will help move us closer to the reality that exists in the community that surrounds us, making us more relevant as churches & community institutions. We all have a stake in this ministry, & are committed to its success.
