Emory Grove Women Building Futures

The United Women in Faith, Emory Grove United Methodist Church Local unit will once again participate in the Habitat for Humanity's Women Build Campaign 2024. It's Time To Build!! Join us in working to complete homes for local families. Together we can make a difference.

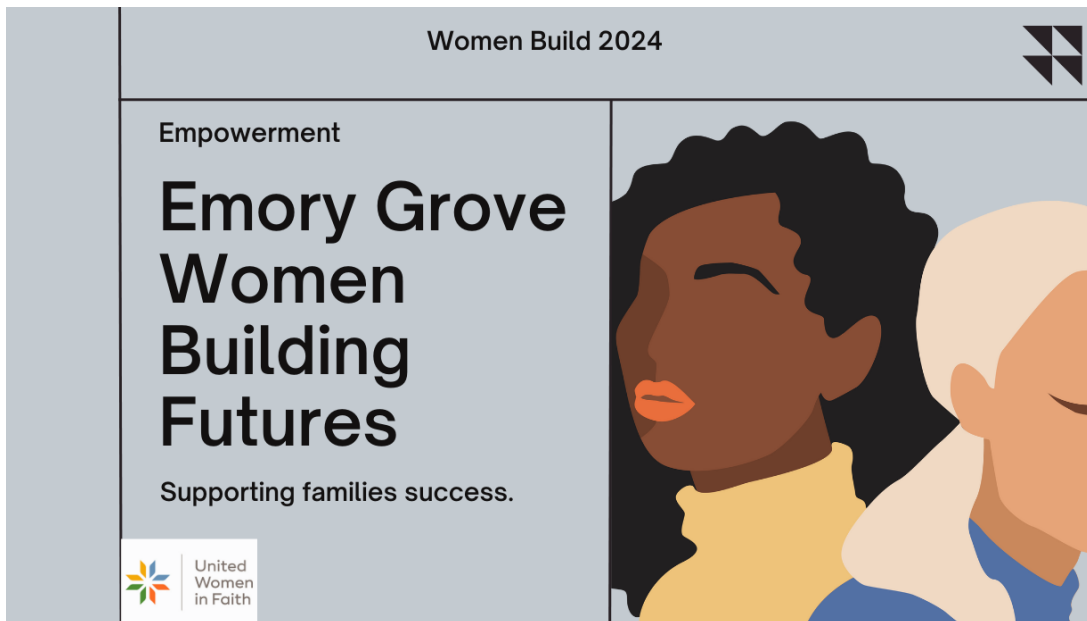

Are you ready to make a difference? Our individual team members have combined digital forces to create an awesome fundraising team. Together, we are building strength, stability, self-reliance and housing through Women Build 2024.

Together, we are working to empower woman to break down stereotypes, learn the skills needed to build a home, show what we can do when we come together and most importantly, have fun making a difference.

Want to help? Support by making a donation to our team. The process is fast, easy, and secure... and you can be sure that it will benefit a great cause! Check out Emory Grove Women Building Futures' team fundraising page for Habitat for Humanity Metro Maryland - <https://www.classy.org/team/556554>.

When you reach the page, you can **Donate** or if you want to participate in the build **Join the Team!** The team will consist of 10 members that will participate in a "Build Day". The build dates are scheduled for April 1st through June 30th. Once the teams are completed and 75% of the money is raised, we will submit our preferred build dates to Habitat for Humanity. Each team member is responsible for raising at least \$350. We will work together with group fundraisers to help each person reach that goal.

team-work [teem-wurk] noun | 1. A cooperative or coordinated effort on the part of a group of persons acting together as a team or in the interest of a common cause.
