

## Emory Grove United Methodist Church Small Group Bible Study and Discipleship Classes Spring 2026

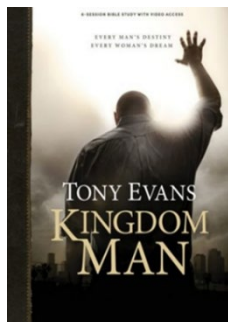

**Join us this Spring as we grow together in faith through Bible study and discipleship. There is something for everyone—no matter where you are in your faith journey.**

### The Rooted Experience

**The Rooted Experience** is a starting point for your discipleship plan. Rooted is a 10-week small group journey designed to bring powerful rhythms of discipleship into the life of each participant and into the life of your church. Built around the 7 rhythms of a disciple, Rooted creates intentional discipleship experiences that help people cross over from knowledge of the Bible to experiences with God. It is designed to become more rooted with God, the Church. **Groups will meet on Thursdays from 7:00pm – 8:30pm, beginning April 9, 2026.** To register:

### Kingdom Man - Facilitator: Frank Lytle

**Kingdom Man** six-session Bible study empowers men to exercise the God-given dominion they were created for by giving them a Kingdom understanding, vision, and perspective on their identity and responsibilities along with practical steps on how to become a man who rules his world well. Our culture has redefined manhood by emasculating men through a repositioning of the role. Men are portrayed as weak, self-serving, and unfocused. The Bible clearly communicates that man was created to exercise

dominion over the various areas of his life, taking responsibility for himself and others entrusted to his care. When a man functions within the principles of biblical manhood, those around him benefit from his leadership and care. **Groups will meet on Wednesdays from 7:00pm – 8:30pm, beginning April 8, 2026.** To register: <https://www.eventbrite.com/e/egumc-kingdom-man-tickets-1982585275930?aff=oddtcreator>
